## 4 Critical Reasons for the Church to Shift Its Paradigm....

😱 "...61% of today's young adults—had been churched at one point during their teen years but they are now spiritually disengaged (i.e., not actively attending church, reading the Bible, or praying)."  
- Barna Research Group 2011

😞 One-quarter of these young adults said that "faith is not relevant to my career or interests" (24%) or that "the Bible is not taught clearly or often enough" (23%) - CollegeAtlas.org 2018

😞 "While the vast majority of high school students want to go to college, most feel unprepared to do so. Students tend to feel less prepared for future careers, than they do for college."  
- Youth Truth Survey 2016

😞 Though many high school athletes hope to earn college athletic scholarships, they should understand that these scholarships are contingent upon certain conditions - Study.com 2019
